Alcune pubblicazioni recenti di Raffaele Chiappinelli

1. Chiappinelli, Raffaele; Furi, Massimo; Pera, Maria Patrizia
Persistence of the normalized eigenvectors of a perturbed operator in the variational case

2. Chiappinelli, Raffaele
Variational methods for NLEV approximation near a bifurcation point

3. Chiappinelli, Raffaele; Furi, Massimo; Pera, Maria Patrizia
A new theme in nonlinear analysis: continuation and bifurcation of the unit eigenvectors of a perturbed linear operator

4. Chiappinelli, Raffaele
Upper and lower bounds for higher order eigenvalues of some semilinear elliptic equations

5. Chiappinelli, Raffaele
A-priori bounds and asymptotics on the eigenvalues in bifurcation problems for perturbed self-adjoint operators

6. Chiappinelli, Raffaele
An application of Ekeland’s variational principle to the spectrum of nonlinear homogeneous gradient operators

7. Chiappinelli, Raffaele
Eigenvalues of homogeneous gradient mappings in Hilbert space and the Birkhoff-Kellogg theorem

8. Chiappinelli, Raffaele
Nonlinear homogeneous perturbation of the discrete spectrum of a self-adjoint operator and a new constrained saddle point theorem
